Join us for an online education session on foil innovation to generate more revenue!

FASTFOILS are endothermic foils that protect the integrity of the hair while speeding up the processing time by a minimum of 25 percent, with a more consistent even level of lift.

Learn how to utilize these high-performance foils to help you work more efficiently, protect the integrity of the hair, and generate more revenue behind the chair with each color service.

- PROTECT HAIR INTEGRITY
- SUPERIOR LIFTING CAPABILITY
- 25% FASTER PROCESSING TIME
- BETTER COLOR DEPOSIT
